Introduction

INTRODUCTION

The Agriculture Sector aims to contribute directly to improving the livelihoods of approximately 40,000 beneficiary farmers (30,000 crop farmers, 6,000 fish farmers and 4,000 poultry farmers)

INTRODUCTION

OGSTEP Agric Sector aims to promote sustainable development of agricultural value chains in Ogun State

**Specifically,
to deliver**

- 1. Seamless access and responsible use of land for agricultural investments**
- 2. Increase agricultural productivity and livelihood of small holder farmers and other value chain actors**
- 3. Provision of critical infrastructures for value addition and improved market access**

PROJECT DEVELOPMENT OBJECTIVES

Indicator	Baseline	Status	End Target
Farmers in Production Clusters that have Off-Taker Arrangements with the Agri-businesses (Disaggregated by Gender and youth) (Number)			40,000
